Caring for Hearing aid Use in Babies

TELL US WHAT YOU THINK!

ABOUT THE MAIN CHALLENGES
RAISING A BABY/TODDLER USING
HEARING AIDS AND THE BEST
WAYS TO SUPPORT FAMILIES

1 TO 1 CHAT WITH PROJECT LEAD
CIARA OR PARENT GROUP CHAT
WITH FAMILIES YOU KNOW

£25 FOR YOUR TIME

WHY CHAT WITH US?

- Parents have told us using hearing aids with babies & toddlers can be challenging
- We're working with parents, ToDs & audiologists to better understand family challenges, experiences & how to best support families
- We can't do it without you! Guidance from families helps us work towards making sure you get the best possible support
